19. CERTIFICATION (MUST BE COMPLETED BY APPLICANT)

I, THE UNDERSIGNED, HEREBY CERTIFY THAT:

- all information in this report is true and complete.
- I have read and understand the provisions of the general license to CFR 101.20 regarding the instructions of this form and I understand that I am required to comply with these provisions as to all product, source, or special nuclear material which I possess and use in non-agreement states or offshore waters when the general license for such this report is in use with the U.S. Nuclear Regulatory Commission.
- I understand that activities, including storage, conducted in non-agreement states under general license to CFR 101.20 are limited to a total of 180 days in calendar year. With the exception of work conducted in offshore waters, which is authorized for an unlimited period of time in the calendar year.
- I understand that I may be inspected by NRC at the above listed work site locations and at the licensee home office address for activities performed in non-agreement states or offshore waters.
- I understand that conduct of any activities not described above, including activities at sites or in waters different from those described above or without NRC authorization, may subject me to enforcement action, including civil or criminal penalties.
