Dear Mr. Charette:

As you requested in your letter dated August 30, 2001, we have amended registration certificate number NR-0220-D-121-S, based on information submitted in your letter. A copy of the amended registration certificate is enclosed.

Please be advised that you must manufacture and distribute the product in accordance with the statements and representations contained in your application and subsequent correspondence, with enclosures thereto, and the information set out in your registration certificate. As a general rule, you must request and obtain an amendment to the certificate before you make changes or modifications to the information submitted to obtain the certificate.

Please read over the registration certificate in its entirety and notify us immediately of any errors or omissions. You are obligated to notify us promptly in writing should you decide to no longer manufacture or offer service support for the product.

Please be aware that, as a holder of an NRC registration, you may be subject to the NRC's licensing and inspection fees in accordance with 10 CFR Part 170, and annual fees in accordance with 10 CFR Part 171. If you have any questions concerning the fee requirements, please contact the License Fee and Accounts Receivable Branch at (301) 415-7554.

If you have any questions, please contact me at (301) 415-7038 or Dr. Seung Lee at (301) 415-5787.

Sincerely,

A handwritten signature in black ink, appearing to read "William R. Ward", is written over a horizontal line.
