SUBJECT REQUESTS FOR INFORMATION RELATED TO CARSWELL AIR FORCE BASE

Dear Mr. Charles:

This concerns the requests filed by you and Mr. Thomas Charles for copies of records related to a now-closed Air Force medical clinic at the former Carswell Air Force Base, Fort Worth, Texas. These requests were made under the Freedom of Information Act.

In response to your requests, we previously provided you copies of records available in our office related to this matter. Subsequently you filed an appeal requesting us to further review our files for this information. This second review has been completed with the result that no additional files have been found.

However, in order to be fully responsive to your requests in this matter, we would like to extend to you an invitation to visit our office in Arlington, Texas, for the purpose of reviewing our files related to the Department of the Air Force. Mr. Thomas Charles is welcome to accompany you during this visit.

If you would like to schedule an appointment for such a visit, please contact the undersigned at (817) 860-8186.

Sincerely,

/RA/

Charles L. Cain, Chief
Nuclear Materials Licensing Branch
