

November 13, 2001

Mr. John D. Parkyn
Chairman of the Board
Private Fuel Storage, LLC
3200 East Avenue South
La Crosse, WI 54602-0817

SUBJECT: REVISION TO THE PRIVATE FUEL STORAGE
SAFETY EVALUATION REPORT

Dear Mr. Parkyn:

The Nuclear Regulatory Commission staff completed its review of License Application (LA) Amendments 20 and 21, submitted by Private Fuel Storage, Limited Liability Company (PFS), on January 19, 2001 and January 25, 2001, respectively. These amendments updated Section 2.2.2 of the PFS Safety Assessment Report (SAR), "Hazards from Air Crashes." I am enclosing revised sections of Chapter 15, "Accident Analysis" to the staff's Safety Evaluation Report (SER), as follows: Section 15.1.2.11, "Accidents at Nearby Sites-Aircraft Crash Hazards" and Section 15.1.2.18, "Accidents at Nearby Sites-Cruise Missile Testing at the UTTR." I am also providing a copy of the references to Chapter 15, which reflect the revisions to these two sections. Other sections of Chapter 15 are unchanged from the SER which I provided to you in my September 29, 2000, letter. The staff concludes that, with regard to aircraft crash hazards and cruise missile testing, PFS still demonstrates compliance with all applicable regulatory requirements in 10 CFR Part 72.

The staff is continuing its review of License Application Amendment 22 which provided new information on the geotechnical characterization of the site and revised engineering designs of several facility components. We are planning to complete that review by December 21, 2001.

If you have any questions regarding this letter or its enclosure, please contact me at 301-415-8518.

Sincerely,
/RA/ original signed by /s/
