P R O C E E D I N G S

CHAIRMAN MESERVE: Good morning. This is an affirmation session and I understand we have three items to come before us this morning. Madam Secretary, you may proceed.

MS. VIETTI-COOK: This first item is on International Uranium. The Commission is being asked to act on a Memorandum and Order responding to an appeal of LBP-01-15 in which the Presiding Officer denied Petitioner Glen Canyon Group of the Sierra Club's hearing request for lack of standing. The Commission has voted to approve a Memorandum and Order which affirms LBP-01-15. Commissioners Dicus and Merrifield preferred a version of the order that would have granted standing to Glen Canyon Group. Would you please affirm your votes?

CHAIRMAN MESERVE: Aye.

COMMISSIONER DICUS: Aye.

COMMISSIONER DIAZ: Aye.

COMMISSIONER MCGAFFIGAN: Aye.

COMMISSIONER MERRIFIELD: Aye.

MS. VIETTI-COOK: The second item is on Private Fuels Storage. The Commission is being asked to act on a Memorandum and Order responding to CLI-01-15 in which the Commission accepted review of the Atomic Safety and Licensing Board Panel's referred ruling on the threshold probability for a design basis air crash event at an independent spent fuel storage installation. The Commission has voted to approve a Memorandum and Order which affirms the Board's ruling in LBP-01-19 that the threshold probability for design

basis events should be set at one in a million for Independent Spent Fuel Storage Installations. Commissioner Dicus did not join in this opinion. She would have sent the matter back to the Board for a factual determination whether the consequences of a potential accident at an Independent Spent Fuel Storage Installation are more similar to those of an accident at a Geological Repository Operations Area or those of an accident at a nuclear power reactor as a basis for setting the threshold probability. Would you please affirm your votes?

CHAIRMAN MESERVE: Aye.

COMMISSIONER DICUS: Aye.

COMMISSIONER DIAZ: Aye.

COMMISSIONER MCGAFFIGAN: Aye.

COMMISSIONER MERRIFIELD: Aye.

MS. VIETTI-COOK: The third item is on U.S. Enrichment Corporation. The Commission is being asked to act on a Memorandum and Order responding to PACE's petition for review of Director's Decision issued on June 14, 2001, which denied the April 17, 2001 petition filed by PACE. The Commission has voted to approve a Memorandum and Order which denies the appeal of PACE's petition. Would you please affirm your votes?

CHAIRMAN MESERVE: Aye.

COMMISSIONER DICUS: Aye.

COMMISSIONER DIAZ: Aye.

COMMISSIONER MCGAFFIGAN: Aye.

COMMISSIONER MERRIFIELD: Aye.

MS. VIETTI-COOK: That's all I have.

CHAIRMAN MESERVE: Very good. We're adjourned.
