Re: Freedom of Information Act Request
Cabot Performance Materials
License Number SMC-1562

Dear Sir/Madam:

Pursuant to the provisions of the Freedom of Information Act ("FOIA"), as amended, 5 U.S.C. § 552, and related regulations issued by the United States Nuclear Regulatory Commission ("U.S.N.R.C."), 10 C.F.R. Part 9, we hereby request copies of any and all records, documents, permits, licenses and/or information in U.S.N.R.C. files regarding the development or approval of the decommissioning plan and related risk assessment and radiological assessment for the Cabot Performance Materials, Inc. Facility in Revere, Bucks County, Pennsylvania, License Number SMC-1562 and Docket Number 40-9027.

In addition to the general request set forth in the preceding paragraph, we also request copies of the following specific documents related to the decommissioning of the Cabot Performance Materials, Inc. Facility in Revere, Pennsylvania:

1. Berger, J.D. and Smith, B.M., "Confirmatory Radiological Survey for Portions of the Cabot Corp. Revere Plant," Oak Ridge Institute for Science and Education (April 1993);
2. Cabot Performance Materials Inc., "Final Decontamination and Decommissioning Survey - 1994 NRC License SMB-920, Docket 40-6940," Cabot Corp., Revere Pennsylvania Plant (January 1991);
