RE: NRC IMPORT LICENSE (IW010) ISSUED NOVEMBER 8, 2000

Dear Mr. Barbour:

Thank you for your letter, dated September 26, 2001, including the Texas Department of Health letter to you, dated September 18, 2001. The NRC accepts this as confirmation that acceptable arrangements for disposal of the non-recyclable radioactive materials at Waste Control Specialists in Texas are in place as required by the NRC's regulations at 10 CFR Part 110.43. To the extent that Philotechnics, Ltd. complies with the conditions set forth in the Texas Department of Health letter to you, dated September 18, 2001, the NRC has no objection to your proceeding with the import authorized in accordance with NRC import license IW010.

Sincerely,

/RA/

Ronald D. Hauber, Deputy Director
Office of International Programs
