Describe Follow-up: (Telephone, Internet, Chamber of Commerce, Other) York County Herritage Trust According to a York City Directory from 1977, C. J. Beshore & Son at 17 Jefferson Avenue was a Registered Plumbing, Heating and A/C Contractor, and Custom Sheet Metal Fabricators for Industrial, Commercial, and Institutional facilities. As such, it would have had no use for the gauges in question, but would have installed them as part of a contract it was working under.		
Describe Communication with Registration Vendor: None

Final Action Taken:		
Cause of Bad Address/Lesson Learned: In a number of records including this one, the gauge is assigned to the contractor associated with the equipment. That appears to be the case here. The lesson to be learned is that the current system of issuing licenses does not reliably identify the general licensee.
