Describe Follow-up: (Telephone, Internet, Chamber of Commerce, Other) Based on lists of soda bottle collectors, Custom Canners bottled (or canned) soda in Philadelphia. The only similar facility listed in Union City, New Jersey belonged to Mutual Beverage Works; which might mean that Mutual Beverage Works was affiliated with Custom Canners or might mean that Custom Canners in Union City was involved in a different business.		
Describe Communication with Registration Vendor: Nancy Newsome at ABB Industrial Systems (614-261-2339). The vendor reported that Custom Canners, Union City, New Jersey changed its name to Shasta, which would imply it bottled or canned soda (Shasta is a big off-brand soda manufacturer, now a product of National Beverage Corporation, but may have been independent at one time). We have not been able to locate information for this licensee that would let us identify the responsible corporation with any certainty. The only address we have for this general licensee is "Union City, NJ." The gauges were distributed more than thirty years ago, so it is very likely they were taken out of service long ago. Without more information, there is little hope of tracking the gauges and further effort is not justified.
