ADM 02

NRC-03-00-003 Modification No. 3 Page 2 of 2

The purpose of this modification is to: (a) exercise Option Year One in accordance with Section I.3, 52.217-9, Option to Extend the Term of the Contract (MAR 2000). This modification results in the following changes: (1) a revision to Item 15G of Standard Form 26, increasing the total contract ceiling amount by \$446,980.00, from \$1,220,492.00, to \$1,667,472.00; and (2) a revision to Section F.4, extending the expiration date of this contract from September 29, 2003, to September 29, 2004. Accordingly, the contract is modified as follows:

1. Item 15G of Standard Form 26 is amended to increase the total contract ceiling amount by \$446,980.00, from \$1,220,492.00, to \$1,667,472.00. Item 15G is amended to read:

15G. TOTAL AMOUNT OF CONTRACT \$1,667,472.00

2. Section F.4, DURATION OF CONTRACT PERIOD (MAR 1987)
Alternate 4 (JUN 1988), is deleted entirely and replaced with the following:

The ordering period for this contract shall commence on September 30, 2000, and will expire on September 29, 2004. Any orders issued during this period shall be completed within the time specified in the order, unless otherwise specified herein. (See 52.216-18 - Ordering.) The term of this contract may be extended at the option of the Government for an additional one (1) one-year option period.

As a result of this modification, the ceiling amount is increased to \$1,667,472.00. All other terms and conditions remain the same.

This modification does not obligate any FY02 funds.
