Docket Nos. 50-338
and 50-339

Mr. W. L. Stewart
Sr. Vice President - Nuclear
Virginia Electric and Power Company
Innsbrook Technical Center
5000 Dominion Blvd.
Glen Allen, Virginia 23060

Dear Mr. Stewart:

SUBJECT: CORRECTION LETTER - NORTH ANNA UNITS 1 AND 2 - AMENDMENT NOS. 156
AND 138, AND AMENDMENT NOS. 181 AND 162

On April 21, 1992, the Commission issued Amendment Nos. 156 and 138 to Facility Operating License Nos. NPF-4 and NPF-7 for the North Anna Power Station, Unit Nos. 1 and 2 (NA-1&2), which revised the Technical Specifications (TS) in response to your letter dated April 16, 1991. In this amendment, page 3/4 8-10 for NA-1 should have been deleted, but this instruction was inadvertently omitted from the instruction sheet. Please remove TS page 3/4 8-10 from your TS for NA-1.

Also in this amendment, page 3/4 8-15 should have been deleted from the TS for NA-2, but this instruction was also inadvertently omitted from the instruction sheet.

On April 22, 1994, the Commission issued Amendment Nos. 181 and 162 to Facility Operating License Nos. NPF-4 and NPF-7 for NA-1&2, which revised the TS in response to your letter dated October 8, 1993. Due to the previous error mentioned above, an incorrect overleaf page was included as TS page 3/4 8-15 for NA-2. Please remove that TS page and insert the enclosed TS page 3/4 8-15 in its place.

Please ensure that all TS holders are advised accordingly. If you have any questions, please call me at (301) 504-1480.
