1 There is good cause to grant this Order shortening time. As shown in the underlying
2 motion papers, the OCC has failed and does not to adequately represent the unsecured creditors
3 in general. Accordingly, a new official committee should be appointed to do so. Because of the
4 current posture of this case, should such a committee be appointed, it will need to proceed
5 rapidly in order to accomplish its goals. In order to provide the Committee, should it be formed,
6 with such time, this *Ex Parte* Application for an Order shortening Time should be granted.
