

Curriculum Vitae

ROY E. SHORE

EX 6

BIRTHDATE:

[REDACTED], U.S. Citizen

OFFICE ADDRESS:

New York University Medical School
Department of Environmental Medicine
Division of Epidemiology and Biostatistics
341 East 25th Street, Rm. 204
New York, New York 10010-2598
Tel. (212) 263-6498 or -6500
Fax (212) 263-8570
E-mail: Shore@mcgcr0.med.nyu.edu

PRIMARY DISCIPLINE:

Environmental Epidemiology
Cancer Epidemiology
Biostatistics

EDUCATION:

Institute and Location	Degree	Date
Houghton College	B.A.	[REDACTED]
Syracuse University	M.A.	[REDACTED]
Syracuse University	Ph.D.	[REDACTED]
Columbia University	Dr.P.H.	[REDACTED]

EX 6

Awards and Honors

- NSF Graduate Fellowship, [1963-65] P
- USPHS Post-doctoral Research Fellowship, [1967-69] X
- MERIT Research Award from NIH, [1986] X

Professional Experience

- 1965-1966 Research Assistant, Department of Pediatrics, Upstate Medical Center, Syracuse, New York.
- 1966-1967 Research Associate, Youth Development Center, Syracuse, New York.
- 1967-1969 USPHS Post-doctoral Research Fellowship, Educational Testing Service, Princeton, N.J.
- 1969-1976 Associate Research Scientist or Research Scientist, Institute of Environmental Medicine, New York University Medical School, New York, New York.
- 1976-1987 Assistant/Associate Professor, Institute of Environmental Medicine, New York University Medical School, New York, New York.
- 1987-Present Professor, Institute of Environmental Medicine, New York University Medical School, New York, New York.
- 1991-Present Head, Environmental Epidemiology Unit

Portions Ex 6 B12

Governmental Committee and Consulting Assignments

- NAS-NRC. Consultant to the Committee on the Biological Effects of Ionizing Radiation (National Academy of Sciences-National Research Council) (1977-1980)
- NCRP Scientific Committee No. 56 on Mammography (1977-1980) (National Council on Radiation Protection and Measurement)
- NAS-NRC. FREIR Committee (Committee on Federal Research on Biological and Health Effects of Ionizing Radiation) (1980-1981) (National Academy of Sciences-National Research Council)
- Review Panel, Board of Scientific Counselors (1980-1981) (National Toxicology Program, National Institute of Environmental Health Sciences)
- NCRP Scientific Committee No. 72 on Radiation Protection in Mammography (1982-85) (National Council on Radiation Protection and Measurements)
- Advisory Committee to the Health Study of Plutonium Workers in the Nuclear Industry (1976-Present) (U.S. Department of Energy, Los Alamos)
- Chairman, Advisory Committee to the Hanford Health and Mortality Study (1980-Present) (U.S. Department of Energy, Hanford)
- Advisory Committee to Naval Shipyard Radiation Workers Study, Johns Hopkins University (1980-1989) (U.S. Department of Energy)
- NCRP Scientific Committee No. 45 on Exposure of the U.S. Population from Occupational Radiation. (1983-1989) (National Council on Radiation Protection and Measurements)
- NIH Committee on Thyroid/Iodine-131 Assessments, Chairman of Human Risk Subcommittee (1983-Present) (National Cancer Institute, National Institutes of Health)
- DOE Health and Environmental Research Advisory Committee, Chairman of Epidemiology Subcommittee (1983-86) (U.S. Department of Energy)
- NCI, Board of Scientific Counselors, Division of Cancer Etiology. (1984-1991) (National Cancer Institute, National Institutes of Health)
- ORAU Biomedical Advisory Committee, Oak Ridge Associated Universities (1985-Present) (U.S. Department of Energy, Oak Ridge)
- Chairman, Advisory Committee to Oak Ridge Radiation Epidemiology Studies, Oak Ridge Associated Universities (1985-Present) (U.S. Department of Energy, Oak Ridge)
- NCI Review Committee to the Utah Radiation Fallout Studies (1985-1992) (National Cancer Institute, National Institutes of Health)
- Chairman, Advisory Committee to the NCI Acrylonitrile Epidemiology Study. (1986-Present) (National Cancer Institute and National Institute of Occupational Safety and Health, National Institutes of Health)
- Thyroid Morbidity Subcommittee (1987) (Hanford Historical Documents Review Committee, State of Washington)
- Chairman, Site Visit Review Committee to the NCI Radiation Epidemiology Branch (1988) (National Cancer Institute, National Institutes of Health)
- ICRP Task Group on the Biological Basis for Dose Limitation in the Skin (1988-1991) (International Commission on Radiological Protection)

- NAS-NRC Panel on the Health Effects of Extremely Low Frequency Electromagnetic Fields. (1989) (National Academy of Sciences-National Research Council)
- NCRP. Consultant to Scientific Committee 80-1 on Hot Particles on the Skin (1988-1989) (National Council on Radiation Protection and Measurements)
- NCRP. Advisor to Scientific Committee 80 on Radiation Biology of the Skin (1989-1991) (National Council on Radiation Protection and Measurements)
- NCRP. Scientific Committee 83 on Research Needs in Radiation Research (1990-Present) (National Council on Radiation Protection and Measurements)
- NCRP. Scientific Committee 1-3 on the Concept and Applications of Collective Radiation Dose (1990-Present) (National Council on Radiation Protection and Measurements)
- NCI. Working Group on Studies of Thyroid Disorders in the Former Soviet Union Following Radioactive Iodine Exposure from Chernobyl (1990-Present) (National Cancer Institute)
- NCRP. Scientific Committee 86 on Internal and External Hot Particle Exposures (1991-Present) (National Council on Radiation Protection and Measurements)
- Chairman, Scientific Advisory Board for Benzene Study (1991-Present) (Exxon Biomedical Sciences, Inc.)
- NCI. Advisor, Working Group for the Joint Analysis of Studies of Radon-exposed Underground Miners (1991-1993) (National Cancer Institute)
- Consultant on Occupational and Radiation Epidemiology (1991-Present) (Monsanto Corp.)
- NAS-NRC Committee on An Assessment of CDC Radiation Studies (1991-Present) (National Academy of Sciences-National Research Council)
- Oversight Committee for an Occupational Mortality Study of PCB-exposed Workers (1992-Present) (Institute for Evaluating Health Risks)
- Expert Panel on Dioxin Risks. (1992-93) (Environ Corp.)
- NIOSH. Review Panel for Projected Occupational Radiation Study at Idaho Falls National Laboratory (INEL) (1993-94) (National Institute of Occupational Safety and Health)
- International Commission on Radiological Protection, Member, Committee No. 1: Radiation Health Effects. (1993-Present)
- NIEHS Workshop on Priorities in Health Effects Research - Ionizing Radiation (Invited Participant) (1994) (National Institute of Environmental Health Sciences)
- National Radiation Treatment Oncology Group, Epidemiology Committee (1994-Present)
- IAEA Advisory Workshop on Thyroid Effects from Chernobyl (Invited Participant) (1994) (International Atomic Energy Agency)
- NCRP Scientific Committee 1 on Radiobiology, Epidemiology, Risk and Basic Radiation Protection (1994-Present) (National Council on Radiation Protection and Measurements)
- NIH Study Section for Epidemiology Program Project Applications (1994-Present) (National Institutes of Health)

Editorial Boards

- Journal of the National Cancer Institute, Editorial Advisory Board (1988-Present)
Cancer Epidemiology, Biomarkers and Prevention, Editorial Advisory Board (1991-Present)
Regulatory Toxicology and Pharmacology, Editorial Board (1992-Present)

Reviewer for Journals

Nature; New England Journal of Medicine; British Journal of Industrial Medicine; American Journal of Epidemiology; Journal of the National Cancer Institute; Cancer; Cancer Epidemiology, Biomarkers and Prevention; Radiation Research; Regulatory Toxicology and Pharmacology

Membership in Elected Groups

- Fellow, American College of Epidemiology (1982-Present).
 National Council on Radiation Protection and Measurements (1983-Present).
 International Commission on Radiological Protection, Committee I: Radiation Health Effects (1993-Present)

Membership in Professional Societies

- Society for Epidemiologic Research
 American Society of Preventive Oncology
 Biometric Society
 American Association of Cancer Research
 Radiation Research Society
