Dear Mr. Cowan:

On October 17, 2001, the Commission published for comment its proposed rule relating to Availability of Official Records, with the comment period to end on December 31, 2001. Your letter of December 20, 2001 on behalf of Westinghouse Electric Company requested an extension of time until January 21, 2002 to submit comments on the proposed rule. The Commission indicated in the notice of proposed rulemaking that it would consider comments received after the December 31, 2001 expiration date, if practical to do so. Therefore, if Westinghouse's comments are received by January 21, 2002, they will be considered as fully as if they were received by December 31, 2001.

Sincerely,

Annette Vietti-Cook
Secretary of the Commission
