In the Matter of  
Private Fuel Storage, L.L.C.  
(Independent Spent Fuel Storage Installation)  
Docket No. 72-22-ISFIS

Dear Ms. Chancellor:

Enclosed please find a list of documents in the possession of the NRC Staff ("Staff") which may be responsive to the State of Utah's ("State's") fifteenth request for production of documents pertaining to Utah Contention K/Confederated Tribes B (Aircraft Crash Hazard), and/or previous discovery requests. These documents consist of two groups: (a) documents that appear to be available in the public docket, and (b) documents that are being withheld as privileged or otherwise exempt from disclosure under 10 C.F.R. § 2.790.

Enclosed please also find copies of those documents which are being produced to the State, which are not included among the documents on the enclosed list.

Documents relating to Utah Contention K/Confederated Tribes B that are in the docket of the Private Fuel Storage ("PFS") proceeding (including legal correspondence, pleadings, Orders, license application submittals, and licensing-related correspondence), are not identified herein. Those materials should already be in the State's possession, due to the State's participation as a party in the PFS proceeding and its inclusion on the PFS and Staff service lists.

Sincerely,

/RA/

Catherine L. Marco  
Counsel for NRC Staff
