December 20, 2001

Mr. Kenneth Kalman
Low-Level Waste & Decommissioning Projects Branch
Division of Waste Management
Office of Nuclear Materials Safety & Safeguards
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Re: Docket No. 70-925; License No. SNM-928
Organization Change

Dear Mr. Kalman:

Kerr-McGee Corporation (KM) recently reorganized Safety and Environmental Affairs Division, which oversees the decommissioning of the Cimarron site. As a result, positions within both KM and the Cimarron Corporation have been changed.

Mr. S. M. Logan has been named Vice President of the Cimarron Corporation, as well as the Director of Chemical and Nuclear Remediation for KM. Mr. Doug Finch, Program Manager, reports to Mr. Logan. A copy of the new organization chart is attached, along with resumes for Mssr. Logan and Finch.

I have been designated Manager, Planning and Regulatory Compliance, reports to Mr. Finch. Ms. Karen Morgan, Staff Health Physicist and Radiation Safety Officer for the Cimarron site, reports to me. Correspondence from NRC can be addressed to me at:

Cimarron Corporation
P.O. Box 315
Crescent, OK 73028

If you have questions or comments, please call me at (918) 225-7753.

Sincerely,

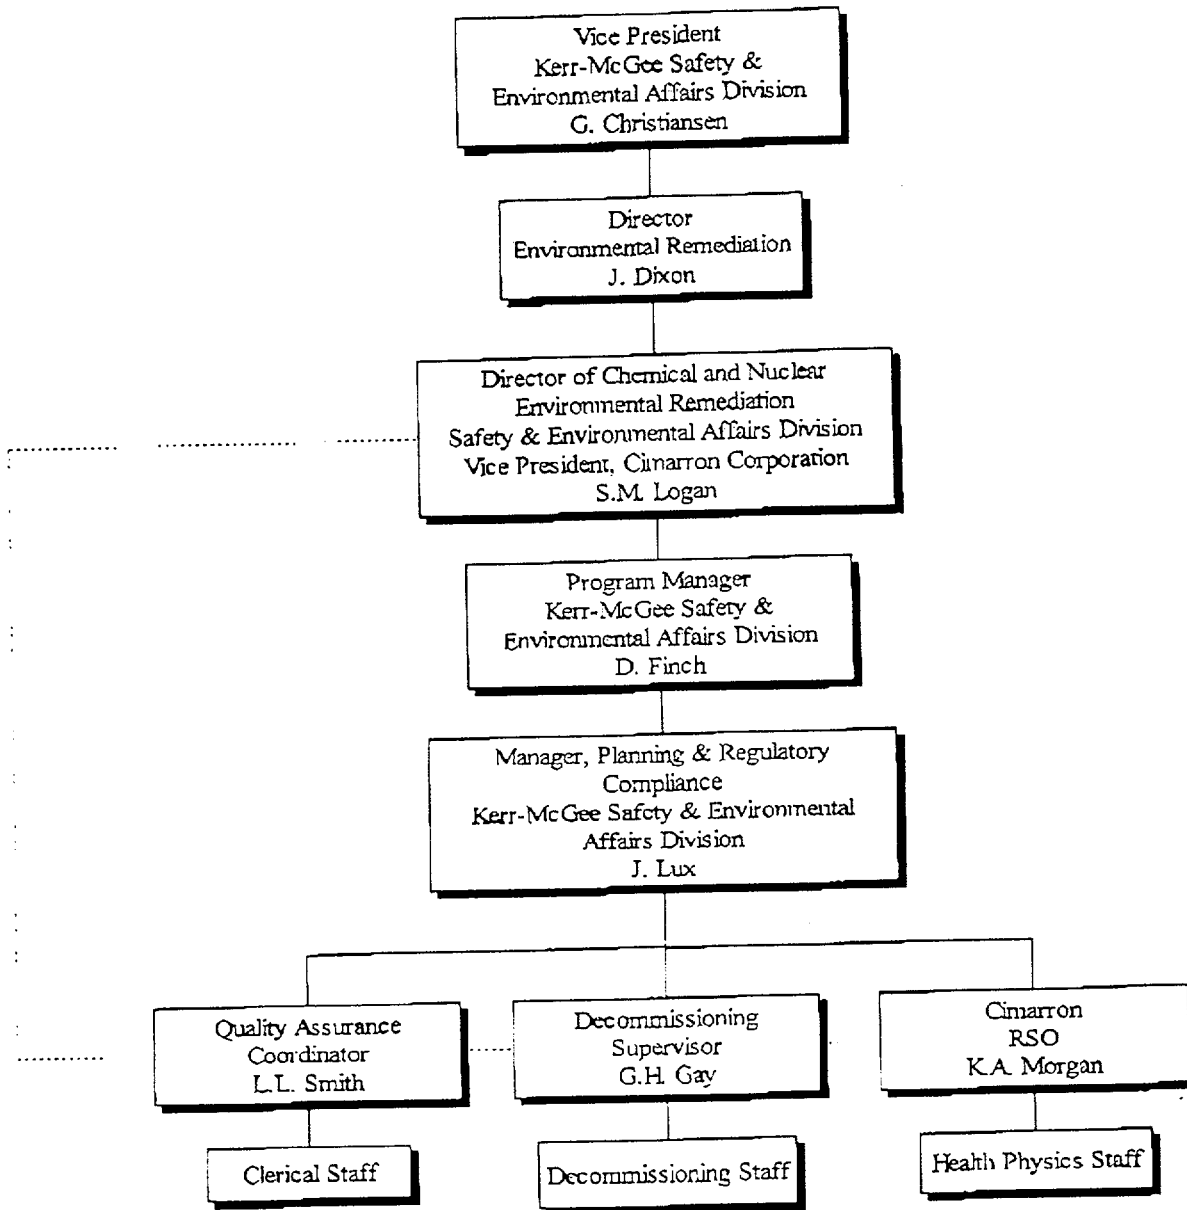

Jeff Lux
Manager, Planning and Regulatory Compliance

xc: C. L. Cain, NRC Region IV
