Attn: Mr. Brian Parker

Re: Amendments to License No. 45-25563-01

Dear Mr. Parker:

The purpose of this correspondence is to request the following amendments to the above referenced Material License:

- Item 2 – Name and Mailing Address of Applicant: Geotechnical Environmental & Testing Solutions, Inc., 204-B Grayson Road, Virginia Beach, VA 23462
- Item 3 - Address(s) where Licensed Material will be used or possessed:
Our physical address has changed to 204-B Grayson Road, Virginia Beach, Virginia 23462, where the material will be stored. (Figure I)
Also, we plan to have a second office in March 2002 (lease signed December 28, 2001) located at 1592 E Penniman Road, Williamsburg, Virginia 23185, where material will also be stored (Troxler Gauges). (Figure II)
- Item 4 – Name Of Person to be Contacted: Camille A. Kattan, PE or D. Mark Scholefield, PE (757)-518-1703
- Item 7 – Individual(s) Responsible for Radiation Safety Program And Their Training Experience:
Additional RSO Designate: Mr. D. Mark Scholefield, P. E. who had previous RSO experience with and trained by PSI, Inc. (Copy of Certificate attached).

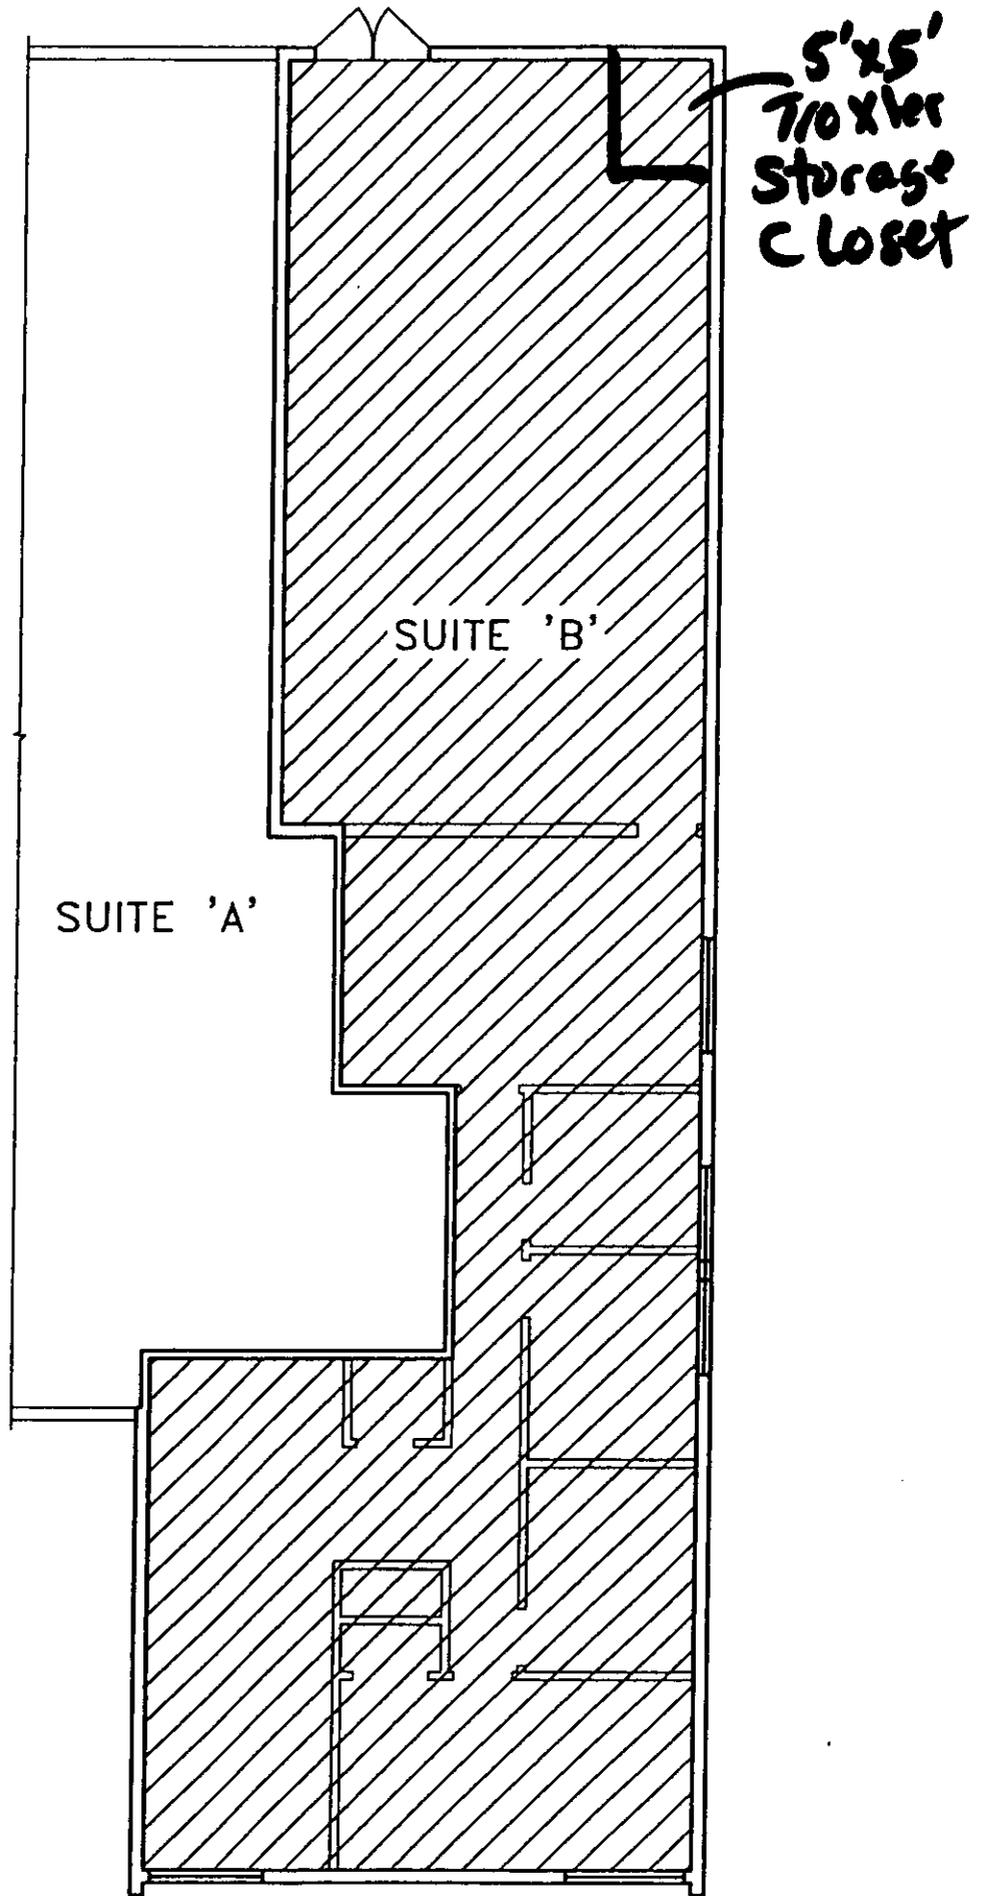

I am waiting to hear back from the NRC headquarters in Rockville, MD regarding the fee. Please call with any questions that you may have.

Respectfully,

Camille A. Kattan, P. E.

Principal Engineer
