SUBJECT: CONFIRMATORY SURVEY WORK AT MOLYCORP, YORK FACILITY

Dear Mr. Allard,

On behalf of the Decommissioning Branch at the Nuclear Regulatory Commission, I would like to extend my thanks to the Pennsylvania Department of Environmental Protection (PADEP), and specifically Robert Maiers, for your confirmatory survey work at the MolyCorp, York facility. PADEP helped resolve a safety issue associated with the deep pits at the site by performing confirmatory surveys to ensure public health and safety. As a result of your group's efforts, MolyCorp has been able to fill in the pits and move forward with the decommissioning of the site. Once again, our sincere thanks to you and your staff and we look forward to working with PADEP in the future.

Sincerely,

/RA/
