

December 7, 1984

Docket Nos. 50-260/296

Mr. Hugh G. Parris
Manager of Power
Tennessee Valley Authority
500A Chestnut Street, Tower II
Chattanooga, Tennessee 37401

Dear Mr. Parris:

Re: Browns Ferry Nuclear Plant, Units 2 and 3

By letter dated November 28, 1984, you requested modification of the dates contained in the staff's March 25, 1983 Confirmatory Orders pertaining to installation of certain post accident monitoring equipment for Browns Ferry Units 2 and 3 described by NUREG-0737, Item II.F.1.

A change to orders in this case is considered a change to a license. Because the requested change would require alteration of current license requirements for Browns Ferry Units 2 and 3, they should be pursued via the formal license amendment process in accordance with 10 CFR 50.90 and other applicable regulations.

Sincerely,

Original signed by/

Domenic B. Vassallo, Chief
Operating Reactors Branch #2
Division of Licensing
