

NUCLEAR REGULATORY COMMISSION

FULL WRITTEN EXPLANATION

Approval

The Nuclear Regulatory Commission voted to close the following meeting:

Wednesday, January 23, 2002

9:00 am Discussion of Intragovernmental Issues (Closed Ex. 9)

The Commission voted 5-0 on January 3 and January 7, 2002 to close this discussion which would be likely to significantly frustrate implementation of proposed Commission action.

Attendance

- Commissioners and members of their staffs
- Representatives of Commission Staff Offices
- Executive Director for Operations and members of his staff
- Representatives of the United Kingdom
