Mr. Paul Schmidt, Chief
Radiation Protection Section
Division of Public Health
Department of Health and Family Services
P.O. Box 2659
Madison, WI 53701-2659

Dear Mr. Schmidt:

This is in response to your October 3, 2001 letter requesting a review of Wisconsin's final Agreement State enabling statutes.

We reviewed the final statutes against the Council of State Governments' "Suggested State Legislation Model Radiation Control Act" and for the legislative provisions that are necessary for an Agreement State program. Based on our earlier review of the proposed statutes, three comments were developed. These comments were appropriately addressed in the final statutes.

We appreciate the opportunity to review and comment on your final enabling statutes. Please feel free to contact me (301) 415-3340 or Lloyd Bolling at (301) 415-2327, if you have any questions on this matter.

Sincerely,

/RA/

Office of State and Tribal Programs
