Describe Follow-up: (Telephone, Internet, Chamber of Commerce, Other) Rich Maday, Smurfit-Stone mill in Morris, Illinois (815-941-3564). From the mid-1950s to the mid-1970s, Morris Paper Mills Corporation, Chicago, IL held trademarks for "Presapak," containers of flexible paperboard for packing and transporting articles of merchandise. It is likely that Morris Paper Board Company is the part of Morris Paper Mills Corporation that made Presapak or related products. In the late 1970s and continuing through the 1980s, there was a great deal of consolidation in the paper industry. Based on discussion with personnel at a paper plant in Morris, Illinois (near Chicago), it appears that Morris Paper Mill had a plant in Morris and had become Federal Paper Board and Packaging. A company named Federal Paper Board was purchased by International Paper in 1998.		
Describe Communication with Registration Vendor: Nancy Newsome at ABB Industrial Systems (614-261-2339). The vendor reported two sources were distributed to Morris Paper Board's Paterson facility at two different times. Our database shows a single distribution in 1976. Both sources were returned in the 1980s.
