Dear Mr. Gaiffe:

I am writing to let you know how much we appreciate the outstanding coordination and assistance you provided on our visit to the COGEMA facilities at La Hague and Marcoule during the week of September 18, 2000. These visits were extremely informative to us and allowed us to see actual mixed oxide fuel operations underway in France. We also appreciate the time and effort expended by Mr. Arslam, Mr. Voitellier, Mr. LeBreton, and others who discussed plant operations with us and responded to our numerous questions. In addition, your support staff was extremely helpful and efficient in providing us timely transportation and assistance during our visit.

Please accept our sincere thanks for all the effort you provided and your very thoughtful hospitality in making our visit both very informative and enjoyable.

Sincerely,
