The Honorable Richard A. Meserve  
Chairman  
Nuclear Regulatory Commission  
One White Flint North Building  
11555 Rockville Pike  
Rockville, MD 20852

Dear Mr. Meserve:

The purpose of this memorandum is two-fold. First to introduce myself as the Project Manager of the Quicksilver e-Clearance initiative for OPM, the Managing Partner. As I am sure you are aware, the President's Management Council identified and approved a number of administration initiatives known collectively as e-Government. Among these is e-Clearance – a streamlining of the national security clearance processing.

Second, I want to identify for you your role in e-Clearance and ask you to designate a senior manager as your contact point for this initiative. NRC has been identified as a key partner representing agencies that are non-Cabinet in the Clearance Verification System (CVS). CVS, one of the many initiatives in e-Clearance, will cause the centralization of a record of all national security clearances. Your participation in the CVS is critical. I know that you support the selection of e-Clearance as one of this administration's e-Government initiatives and I look forward to partnering with you to bring success to this mission.

Please designate your e-Clearance senior manager as soon as possible and have him/her contact me at 202-606-2084. I look forward to working with you on this critical project.

Sincerely,

A handwritten signature in black ink, reading "John H. Crandell", is written over a horizontal line.

John H. Crandell  
Project Manager  
e-Clearance
