In the Matter of  
PRIVATE FUEL STORAGE L.L.C.  
(Independent Spent Fuel Storage Installation)  
Docket No. 72-22-ISFSI

Dear Administrative Judges:

Please find enclosed a copy of the unredacted version of the Final Environmental Impact Statement (FEIS) related to the proposed Private Fuel Storage facility. The NRC staff is also enclosing a CD-ROM containing the FEIS for your convenience. The NRC staff has determined that this unredacted FEIS can be made available to the public. Copies of the enclosed FEIS and CD-ROMs are being sent via express delivery service to the parties on the NRC staff's service list.

The Staff has today provided the FEIS to the Environmental Protection Agency and transmitted copies to members of the public who commented on the draft EIS.

Sincerely,
