MEMORANDUM TO: File

FROM: Jack Cushing, Project Manager, Section 2
Project Directorate IV /RA/
Division of Licensing Project Management
Office of Nuclear Reactor Regulation

SUBJECT: ADMINISTRATIVE CLOSURE OF TAC NO. MA0688 - BAW-10231P,
"COPERNIC FUEL ROD DESIGN COMPUTER CODE"

By letter dated September 16, 1999, Framatome submitted a revised BAW-10231P, that replaced the version being reviewed under TAC No. MA0688. A new TAC was opened to review the revised submittal. TAC No. MA0688 should have been closed when the new TAC was opened. Therefore, this memorandum documents the closure of TAC No. MA0688.
