**Subject:** Availability of Private Fuel Storage Final EIS

The Nuclear Regulatory Commission has released its Final Environmental Impact Statement on the application by Private Fuel Storage, Limited Liability Company (PFS) for a license to construct and operate an independent spent nuclear fuel storage facility on the Goshute Indian Reservation near Tooele, Utah.

The NRC maintains an Agencywide Documents Access and Management System (ADAMS), which provides text and image files of NRC's public documents. The FEIS and its appendices may be accessed through the NRC's Public Electronic Reading Room on the Internet at <http://www.nrc.gov/reading-rm/adams.html>. The accession number is ML020150170.

If you do not have access to ADAMS or if there are problems in accessing the documents located in ADAMS, contact the NRC Public Document Room (PDR) Reference staff at 1-800-397-4209, (301)-415-4737, or by email to [pdrr@nrc.gov](mailto:pdrr@nrc.gov). The FEIS is also available for inspection at the Commission's PDR, U.S. NRC's Headquarters Building, 11555 Rockville Pike (first floor), Rockville, MD. Upon written request and to the extent supplies are available, a single copy of the FEIS can be obtained for a fee by writing to the Office of the Chief Information Officer, Reproduction and Distribution Services Section, U.S. Nuclear Regulatory Commission, Washington, D.C. 20555-0001; or by email ([DISTRIBUTION@nrc.gov](mailto:DISTRIBUTION@nrc.gov)); or by fax at (301) 415-2289.

For further information contact me at my email address [cxp1@nrc.gov](mailto:cxp1@nrc.gov).
