Dave,

I got a copy to Brian at 11:30. Not sure if he will have comments? John Z is still reviewing. He has some comments. I will ask his secretary to fax to you as soon as he is done. FAX NO. 610-337-5349?

David,

We're all happy with the letter through Jack given that you make the following minor changes:

- o Flip-flop #1 and #2.
- o Delete the second to last paragraph that starts with ' Failure to address...' It is redundant to what is in the 3rd paragraph.

Bill

I attempted to factor in your comments. Let's talk tomorrow. In the interim, **please direct comments to me** vice Wayne Schmidt, so he can focus on the exit as well as some last minute points that Con Ed still wants to make.
