

February 21, 2002

Donald L. Shumway
Commissioner
State of New Hampshire
Department of Health and Human Services
129 Pleasant Street
Concord, NH 03301-3857

Dear Mr. Shumway:

Thank you for your December 27, 2001 letter responding to the recommendations in the final Integrated Materials Performance Evaluation Program (IMPEP) report transmitted to you by cover letter, dated November 6, 2001. Your letter which includes the Program Improvement Plan, is responsive to the IMPEP recommendations and identifies actions that New Hampshire staff have taken or will take to address the recommendations.

As stated in our November 6, 2001 letter, the heightened oversight program will include bimonthly conference calls and a follow-up review. Staff in the Office of State and Tribal Programs have been coordinating with Ms. Tefft and her staff to schedule the first bimonthly conference call for March 12, 2002 at 10:00 a.m. EST and to develop the agenda for the call. The follow-up review will be conducted in the December 2002 - February 2003 time frame.

We appreciate the positive actions that you and your staff have taken and are continuing to implement with regard to the IMPEP recommendations.

Sincerely,

/RA by Martin J. Virgilio Acting For/

Carl J. Paperiello
Deputy Executive Director for
Materials, Research and State Programs
