Dear Mr. Utley:

By letter dated June 20, 1986, the Commission issued Amendment Nos. 98 and 126 to Facility Operating License Nos. DPR-71 and DPR-62 for the Brunswick Steam Plant, Units 1 and 2. The amendments changed the Technical Specifications to clarify the operability requirements for the core spray system in response to your request of December 10, 1985.

The correct Amendment No. for Unit 2 is 127. Please change your records to reflect this correction.

We are sorry for any inconvenience this error may have caused.

Sincerely,

Original signed by

Ernest D. Sylvester, Project Manager
BWR Project Directorate No. 2
Division of BWR Licensing
