Washington, DC 20555-0001

Gentlemen:

Subject: VIRGIL C. SUMMER NUCLEAR STATION  
DOCKET NO. 50/395  
OPERATING LICENSE NO. NPF-12  
PHYSICAL SECURITY PLAN AMENDMENT 45

South Carolina Electric & Gas Company, acting for itself and as agent for South Carolina Public Service Authority, submits four controlled copies of Amendment 45 to the Physical Security Plan.

A "Summary of Plan Changes" is included as part of each controlled copy. These changes do not degrade the safeguards effectiveness of the Physical Security Plan or Safeguards Contingency Plan as described in 10CFR50.54(p).

Please note that even though the cover page has Safeguards Information stamped at the top, it is a decategorized document and does not contain safeguards information, nor does Amendment 45 contain safeguards information.

If you have any questions, please contact Ms. Judy Wasieczko at (803) 345-4564.

Very truly yours,

Melvin N. Browne
