(3)

**From:** Diane Screnci  
**To:** abbreviated ip2 comm team  
**Date:** Thu, Nov 16, 2000 1:53 PM  
**Subject:** notification sequence

I'm proposing the attached notification sequence for release of the IP2 red finding on Monday. Please note: the plan would have the utility being notified on Monday, with the rest of the stakeholders notified on Tuesday.

Any comments? ..... I'll check my email over the weekend.

(I won't be in on Friday, but will be available by page [REDACTED] Ex. 6

Diane
