Docket No. 50-366 FEBRUARY 1 1980

Mr. Charles F. Whitmer  
 Vice President - Engineering  
 Georgia Power Company  
 P. O. Box 4545  
 Atlanta, Georgia 30302

Dear Mr. Whitmer:

In response to the Commission's Show Cause Order issued on January 2, 1980, your submittal dated January 14, 1980 requested that the Category A requirements for the Hatch Nuclear Plant, Unit No. 2 be extended to March 1, 1980.

It is our understanding that subsequent to your submittal, Hatch 2 was shut-down and has completed all Category "A" items. Therefore, Commission action is not required. As indicated in our letter dated October 30, 1979, the acceptability of your implementation of each Category A item (excluding 2.1.7a) will be the subject of post implementation review.

Sincerely,

Original signed by

Harold R. Denton, Director  
Office of Nuclear Reactor Regulation
