AND I VOTE FOR
POLITICIANS THAT WANT TO
PROTECT US AGAINST RADIATION

To Whom It May Concern:

I am opposed to the NRC proposed rulemaking as described in
The Federal Register, April 16, 2001, Vol. 66 to change the
licensing hearing process for nuclear power reactors. The public
is entitled to full and meaningful participation in an on-the-
record hearing process for the licensing of new reactors, the
relicensing of aging reactors and industry amendments to
operating license safety requirements.
