Dresden Nuclear Power Station, Unit 1  
Facility Operating License No. DPR-2  
NRC Docket No. 50-10

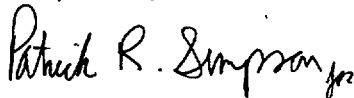

Subject: Supplemental Information Supporting the Request for Exemption from the Secondary Offsite Accident Liability Insurance Requirement of 10 CFR 140.11(a)(4)

Reference: Letter from K. R. Jury (Exelon Generation Company) to U. S. NRC, "Request for Exemption from the Secondary Offsite Accident Liability Insurance Requirement of 10 CFR 140.11(a)(4)," dated December 18, 2001

In the referenced letter, Exelon Generation Company (EGC), LLC, submitted a request for exemption from the secondary offsite accident liability insurance requirement of 10 CFR 140.11, "Amounts of Financial Protection for Certain Reactors," paragraph (a)(4) for Dresden Nuclear Power Station (DNPS), Unit 1. This exemption was requested pending completion of the task to relocate the spent fuel out of the DNPS, Unit 1 fuel storage pool. This letter notifies you that as of January 15, 2002, the DNPS, Unit 1 fuel storage pool no longer contains spent fuel assemblies. Therefore, we request the NRC to complete its review and approval of the exemption requested in the referenced letter.

Should you have any questions related to this letter, please contact Mr. Brian Sweeney at (630) 657-2836.

Respectfully,

Keith R. Jury  
Director – Licensing  
Mid-West Regional Operating Group
