RE: Log No. 200202015

Gentlemen:

This is to acknowledge receipt of your request dated February 11, 2002, for renewal of Radioactive Material License No. 264R. Since this application was received in a timely manner, you are hereby authorized, under the provisions of <u>New Hampshire Rules for the Control of Radiation He-P 4030.12</u>, to continue to operate under the authorizations of your present license during the interim review process until final action has been taken, or until April 30, 2003, by which time the Agency should have completed action on your request.

This letter should be retained in your files as verification that your license remains valid until an amendment extending the license is issued, or the request is denied.

Sincerely,

Den: P. O. W-

Dennis P. O'Dowd, Supervisor Radioactive Material Section Bureau of Radiological Health
