Mr. John D. Parkyn
Chairman of the Board
Private Fuel Storage, LLC
3200 East Avenue South
La Crosse, WI 54602-0817

SUBJECT: CONSOLIDATED SAFETY EVALUATION REPORT FOR THE PROPOSED
PRIVATE FUEL STORAGE FACILITY

Dear Mr. Parkyn:

Enclosed is a consolidated safety evaluation report (SER) for the proposed Private Fuel Storage Facility (PFSF). This consolidated SER has been prepared for the convenience of the parties to the PFS licensing proceeding before the Nuclear Regulatory Commission (NRC) Atomic Safety and Licensing Board. It administratively incorporates the revised text from SER Supplements No. 1 and 2, into the original PFSF SER. As you recall, the NRC staff issued the original PFSF SER on September 29, 2000. NRC staff subsequently issued Supplement No. 1 (in the form of replacement sections) on November 13, 2001, to address your revised aircraft crash hazard analyses. NRC staff further issued Supplement No. 2 (in the form of replacement sections and paragraphs) on December 21, 2001, to address your seismic design changes.

This consolidated SER reflects the revisions made to sections and paragraphs in Chapters 2, 4, 5, 6, 7, 11, and 15, as previously documented in Supplement No.1 and Supplement No. 2 to the PFSF SER. Except for the correction of a typographical error that appeared in SER Supplement No. 2, Chapter 2, pages 42 and 47, this consolidated SER does not contain any new or revised discussions, evaluations, or conclusions. However, please note that the Table of Contents has been edited to reflect new pagination of the consolidated chapters.

If you have any questions regarding this matter, please contact me at 301-415-8518.

Sincerely,
/RA/ original signed by /s/
