NRC-03-00-002 Modification No. Seven (7) Page 2 of 2

The purpose of this modification is to provide incremental funding in the amount of \$100,000.00, thereby increasing the contract's obligated amount from \$430,000.00 to \$530,000.00. Accordingly, the contract is hereby modified as follows:

Under Subsection B.2 entitled "CONSIDERATION AND OBLIGATION-COST PLUS FIXED FEE" (JUN 1988) ALTERNATE 1 (JUN 1991), paragraphs (c) and (d) are deleted in their entirety and substituted with the following in lieu thereof:

- "(c) The amount currently obligated by the Government with respect to this contract is \$530,000.00, of which the sum of \$490,514.00 represents the estimated reimbursable costs, and of which \$39,486.00 represents the fixed fee.
- (d) It is estimated that the amount currently allotted will cover performance through September 30, 2002."

All other terms and conditions of the contract remain unchanged, including the ceiling amount of \$796,886.00.

A summary of obligations for this contract from award date, through the date of this action is given below:

Total FY00 Obligations:	\$ 30,000.00
Total FY01 Obligations:	\$270,000.00
Total FY01 Deobligations:	\$ (32,800.00)
Total FY02 Obligations:	\$262,800.00

Cumulative Total of NRC Obligations: \$530,000.00

This modification obligates FY02 funds in the amount of \$100,000.00.
