

March 12, 2002

Mr. Roger L. Suppes, Chief  
Bureau of Radiation Protection  
Ohio Department of Health  
P. O. Box 118  
Columbus, OH 43266-0118

Dear Mr. Suppes:

We have reviewed your February 6 and 25, 2002 responses to our comment letters dated January 14, 2002 addressing Ohio Chapter 3701:1-48 "Industrial Radiography" (equivalent to 10 CFR 34) and February 13, 2002 addressing Ohio Chapter 3701:1-52 "Licenses and Radiation Safety Requirements for Irradiators" (equivalent to 10 CFR 36). The actions taken by Ohio to address the comments made in our letters are acceptable. The actions taken and your response were discussed with Ms. Marcia Howard on March 11, 2002.

We request that when the proposed regulations are adopted and published as final regulations, a copy of the "as published" regulations be provided to us for review. As requested in Office of State and Tribal Programs Procedure SA-201, *Review of State Regulations* (November 10, 1998), please highlight any changes and send one hard copy to STP.

If you have any questions, please contact me or Mr. James Lynch at (630) 829-9661 or JLL2@NRC.GOV.

Sincerely,

/RA/

Josephine M. Piccone, Deputy Director  
Office of State and Tribal Programs

Roger L. Suppes
