INSERT NEW PARAGRAPH 2.C.(19):

(19) Additional Conditions

The Additional Conditions contained in Appendix C, as revised through Amendment No. , are hereby incorporated into this license. Detroit Edison Company shall operate the facility in accordance with the Additional Conditions.

INSERT NEW APPENDIX C:

APPENDIX C

ADDITIONAL CONDITIONS OPERATING LICENSE NO. NPF-43

Detroit Edison Company shall comply with the following conditions on the schedules noted below:

Amendment Number	Additional Condition	Implementation Date
------------------	----------------------	---------------------

The licensee is authorized to relocate certain Technical Specification requirements to licensee-controlled documents. Implementation of this amendment shall include the relocation of these technical specification requirements to the appropriate documents, as described in the licensee's application dated December 15, 1994, as supplemented by letters dated July 25, 1996, and December 13, 1996, and evaluated in the staff's safety evaluation attached to this amendment.

The amendment shall be implemented within 90 days from 1997.

The QA plan, plant procedures, and UFSAR change documentation will be approved within the 90 day implementation period.
