Docket No. 50-305

Mr. Eugene R. Mathews, Vice President
 Power Supply and Engineering
 Wisconsin Public Service Corporation
 Post Office Box 1200
 Green Bay, Wisconsin 54305

Dear Mr. Mathews:

On April 21, 1982, we issued Amendment No. 39 to the Kewaunee Nuclear Power Plant Facility Operating License No. DPR-43. This amendment incorporates the requirements for implementation of the Fire Protection Requirements.

The transmittal letter to this amendment was in error in that it referenced an incorrect Docket No. and License No. Please make pen and ink changes on this letter to correct this error. Docket No. 50-306 and License No. 3 should read Docket No. 50-305 and License No. DPR-43, respectively.

Sincerely,

ORIGINAL SIGNED

Marshall Grotenhuis
 Project Manager
 Operating Reactors, Branch #1
 Division of Licensing
