Subject: Need conference call re. NMP1 TS Section 5.0 amendment

Dennis:

We are reviewing your 10/26/01 application for amendment, converting NMP1 TS Section 5.0 in content and format similar to the NMP2 TS.

In essence, you are requesting an amendment to convert the Administrative Controls sections of the NMP1 TS to the Improved TS (ITS) format, which is what the NMP2 TS is. Our reviewer Angela Chu would like to hold a conference call with you. Please call me to set this up.

Issues to be discussed: ITS conversion typically follows certain customs, such as inclusion of marked up ITS pages, summary tables etc. Your application, which is really an application for partial conversion to ITS, does not have these.
