Subject: DAEC Emergency Telephone Book (ETB) - Notice to Rescind ETB Volume

To Whom It May Concern:

Based on the recent conversations with Steven Orth, Senior. Radiation Specialist, NRC Region III Department of Nuclear Reactor Safety, the ETB no longer needs to be provided to the NRC offices. The ETB as it is, is difficult to keep personal information proprietary, and the ETB was not being utilized.

We would like to request that you either dispose of this volume by some appropriate means, or return it to the DAEC address below for disposal.

Please acknowledge that the above action has been taken by signing below and returning this memorandum to K. Dunlap, 3313 DAEC Rd, Emergency Planning, PSC, Palo, IA 52324

Sincerely,

Paul R. Sullivan, Manager Emergency Preparedness

PLEASE RETURN WITHIN 20 DAYS.

I have taken the appropriate actions as stated above.
