SUBJECT: REQUEST FOR PRESENTATION AT SPRING MEETING

Dear Mr. Crowley:

Thank you for your recent invitation to address the Board on Radioactive Waste Management at its spring meeting on April 16, 2002. I understand that you would like for me to make a presentation on the technical considerations underlying our preliminary sufficiency letter to the U.S. Department of Energy. I will be able to attend and deliver the presentation you requested. John Greeves, the director of the Division of Waste Management of my office, will also attend the meeting.

I look forward to hearing the different perspectives on the Yucca Mountain site recommendation that will be presented at that time. If you need additional information prior to the meeting, please do not hesitate to contact me at (301) 415-7800.

Sincerely,

/RA/
