19. CERTIFICATION (MUST BE COMPLETED BY APPLICANT)

I, THE DESIGNER, HEREBY CERTIFY THAT:

1. All information in this report is true and complete.
2. I have read and understand the provision of the general license 10 CFR 190.30 printed on the instructions of this form, and I understand that I am required to comply with those provisions as to all by-product, source, or special nuclear material which I possess and use in non-agreement States or offshore waters under the general license for which this report is filed with the U.S. Nuclear Regulatory Commission.
3. I understand that activities, including storage, conducted in non-agreement States under general license 10 CFR 190.30 are limited to a total of two days in calendar year. With the exception of work conducted by off-shore waters, which is authorized for an unlimited period of time in the calendar year.
4. I understand that I may be inspected by NRC at the above listed work site location, and at the licensee home office address for activities performed in non-agreement States or offshore waters.

WARNING: False statements made in this certificate may be subject to civil or criminal penalties. NRC regulations require that submissions to the NRC be complete and accurate in all material respects. If U.S.C. Section 1001 makes it a criminal offense to make a willfully false statement or representation to any department or agency of the United States as to any matter within the jurisdiction.
