Rick,

I made a few changes to clarify the discussion in the task group notes for the meeting with Joe Muscara. This was based on a discussion I had with Joe. The revised (and final) task group notes are in the first attachment to this e-mail. Please use this and discard the prior version I had sent you. If you are interested in seeing that changes I made, the second attachment shows the changes in redline and strikeout. To see the redline and strikeout, you should open the second attachment and view it in WordPerfect.

Attached are the final versions of the Task Group Notes for our discussions with:

- 1) Jack Strosnider on 7/5
- 2) John Zwolinski on 7/5
- 3) Bob Weisman on 7/17

I will file a hard copy of each in the notebook on the shelf in Scott's office today. Thanks for all your comments. Note, I will also file a hard copy of the Task Notes for the discussion with Joe Muscara on 6/20 which was provided in an earlier email from Alan.
