# Memorandum

TO : Files *mm*  
THRU: Paul R. Nelson, Senior Radiation Specialist  
Region I, Division of Compliance

FROM : *JF* James F. Bresson, Radiation Specialist  
Region I, Division of Compliance

SUBJECT: WESTINGHOUSE ELECTRIC CORPORATION  
PITTSBURGH, PENNSYLVANIA  
LICENSE NO. 37-9442-1

DATE: September 29, 1966

## Inspector's Evaluation

Operations conducted under this license are limited to use of a permanently established cesium-137 irradiator and a neutron generator utilizing H-3 targets. Health and safety procedures appeared to be adequate. Reinspection is scheduled for 3/68.
