Gentlemen,

This is to inform you that Professor Alice P. Gast has succeeded Professor David J. Litster as Vice President for Research and Associate Provost. As such, Professor Gast is the person to whom I report in my capacity as Director of the MIT Nuclear Reactor Laboratory. Prof. Gast's mailing address and telephone number is:

Professor Alice P. Gast  
Vice President For Research And Associate Provost  
Massachusetts Institute of Technology  
Provost's Office  
Bldg 3-240  
77 Massachusetts Avenue  
Cambridge, MA 02139  
email: gast@MIT.EDU  
phone: (617) 253-1403

Professor Gast has extensive experience with the use of research reactors and, like Professor Litster, has a deep understanding of the safety needs associated with the proper operation of these reactors.

Sincerely,

John A. Bernard, Ph.D.
