Subject: Results of Cabot Revere call

Scott,

Cabot committed to having a letter to us by this Thursday. Since I'm out, I've asked Duane to route to for review. A revised RA/DP will follow in one week. These responses WILL INCLUDE responses to PADEP's questions-as discussed in the phone call. The call went well, we didn't have a detailed discussion about sampling, but I think we covered it in advance. I have a fall back position if this comes up again. We tentatively scheduled a site visit for PADEP, Mark Thaggard, and Duane for March 14.
