Scott and Jeff:

Scott: Cabot Revere - Indeed, as discussed, we have met our 9/01 target to "remove the Cabot-Revere site from the SDMP." I will inform PMDA of this for the Commission Tracking Memorandum. **If possible, by COB Tuesday, 9/25, I will need words to this effect (a paragraph or two) for the Monthly Report to Congress.**

Jeff: Currently, CTM dates "Paper to Commission on Final Site Recommendation Review" as 10/01. **Will we be meeting that date, or should we consider moving that date out a bit? Please let me know by COB 9/25.**
